CONFERENCE IDEAS

Michael Simmons at Buckman elementary wants to do a presentation.

Other ideas: JD Perkins, a local ceramic sculptor. OBT's Artbeat did a piece on him.
Brad Atkins, local artist
Darkhorse comics based in Milwaukie.
Womack, local painter

Plazm magazine, based in Portland they are designers, publish fonts, and published the XXX book, about sex and design.

Kurt D. Holloman, a local graphic designer, illustrator, art director and teacher at PNCA.

I wouldn't mind hearing more lecture type presentations at the conference. Thesis topics, topics of expertise relative to the speaker. I want to hear from professionals in the arts, and how they do what they do. This was my thinking as I generated this list.
